LOCKS & DEADBOLT
SML - SMART LOCK

Standard Finishes: SN/SSS
Material: Zinc and Corrosion Resistant (304) Stainless Steel

Features:
- Fits 2-1/8” bore with easy installation
- Adjustable 2-3/8” and 2-3/4” back set latch
- Handing required
- Slim design and illuminated key pad
- Key pad and remote control unlocking
- Up to 8 remote controllers can be used per lock
- Up to 8 password setting options per lock
- Password can be 3 to 7 digits
- Easy switch from passage to entry (with egress) and vice versa
- Easy emergency access by using key or 9V battery
- Schlage C key way with key alike options
- Works with 4 AAA batteries
- Low battery warning
- 3000 turn battery life or 6 months on standby
- Panic alarm after 3 wrong passwords
- Quick password setting and resetting options
